SIXTH SUNDAY IN ORDINARY TIME

FROM FATHER CHUCK

Happy Valentine's Day.

On Monday we celebrate Valentine's day. When I think about this day I always think about "goat". This is a common expression used in sport that represents: "The Greatest of All Time." What I hope that you think of today is the persons in your lives who have been the "Greatest of All Time For You." When I think about this thought there are so many people that I know who fulfill this thought. I urge you to think about the people in your life who fit this thought. The other thing to think about is, "Do we fit into the category of the greatest of all time. I do know what makes a person fit this thought is that they know how to love unconditionally. It is important for us to seek Jesus grace to live a life of unconditional love.

This is a wonderful weekend that we honor all those who have celebrated the anniversary of their marriage. Our parish family thanks you for living the sacrament of marriage so beautifully. I hope all of you have a wonderful Valentines filled with the realization of how much Jesus does love everyone of us unconditionally.

Confirmation Thoughts.

I finished my confirmation classes with the Junior confirmation class. These students will be confirmed when most of you read this bulletin. One of the questions that I always ponder is how well did I teach these young people about being and remaining Catholic. I had the students write down three questions for Bishop Joensen. I was so pleased to read their questions. The students questions concerned their continued spiritual growth in the Catholic Church. I hope that all of us ponder the question: "What do I need to do to continue to grow in my Catholic Faith?"

Thank You Colleen Thompson.

This week Colleen Thompson told me that after 20 years of decorating the church that she is retiring from this wonderful ministry. We have all been so blest to have such wonderful decorations that Colleen and her committee have shared with us over these 20 years. Maxine Marshall who has worked with Colleen for these twenty years will continue decorating the church. The important thing is that we will need people to help Maxine and her helpers to continue the magnificent tradition of decorating our church.

Oh, What a Weekend.

I often wonder where my head is. This weekend is a weekend from heaven. I will celebrate six masses. We celebrate Leland and Erin Ledgers wedding. Leland is every mother's dream for a son in law and Erin is every mother's dream for a daughter in law. We celebrate the baptism of James Henry Thomas, his parents are Jon and Kristine Thomas, and his grand parents are Mike and Jeannie Thomas. One of the most wonderful thing about James is how much his grandmother Jeannie loves him.

Finally, we have confirmation. I hope that many of you attended the confirmation. We are so blest to have Bishop Joensen with us this weekend. Whenever the bishop comes to our church we are doubly blest.

Lenten Materials.

The Lenten materials will be available after all the masses next weekend. Once again our liturgy committee has found wonderful materials for all of us to have a spiritual Lent.

The History of Valentine's Day

Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine, is celebrated annually on February 14. It originated as a Christian feast day honoring one or two early Christian martyrs named Saint Valentine and, through later folk traditions, has become a significant cultural, religious, and commercial celebration of romance and love in many regions of the world.

HAPPY VALENTINES' DAY

LIFE ACCORDING TO JEAN.....

- On March 10, 1876 Alexander Graham Bell made the first phone call ever. Moments later he was notified that his car's extended warranty had expired.
- If anyone gets a message from me about canned meat, don't open it...It's spam.
- Mike: "I thought you were dieting?"
Me: "I am"
Mike: "You just ate 6 Oreo cookies"
Me: "Yes, but I wanted to eat 12. See dieting"
- I put on a layer of fat for the winter—unfortunately, I put it on in the winter of 1975.
- My favorite outdoor activity is getting my packages at the door and bringing them in.
- These are not "ride around listening to music" gas prices
- Always keep a bottle of wine in the fridge for special occasions...You know, like Wednesday.
- Tip: Ring your doorbell on your way to bed at night. This will clear the dogs off your bed long enough to in and get comfortable.
- I burned 2000 calories today...That's the last time I leave brownies in the oven while I take a nap.
- It's a good day. The bulb finally burned out on my check engine light.
- I woke up this morning determined to eat right and exercise...But that was 4 hours ago...When I was younger and full of hope.
- Remember back when we used to eat cake after someone blew all over it? Man we were wild.
- Believe in yourself. If cauliflower can become pizza, you can do anything.

HAVE A GREAT WEEK, STAY SAFE, & BE NICE TO EVERYONE

FATHER'S THOUGHT FOR THE WEEK

Last Monday at Saint Albert we honored all first responders, the fire fighters the police officers, the state patrol officers and the sheriff's officers. A check was presented to each of these groups, for them to spend as their departments wished. The most touching moment were to see several of these first responders with their children, who attend Saint Albert. Please pray for God's protection of all of our police officers and firefighters.
