FIFTH SUNDAY IN ORDINARY TIME

FROM FATHER CHUCK

CONFIRMATION.

There are several things to consider as we prepare to celebrate the sacrament of confirmation this next weekend.

First, I am personally asking you to come to confirmation. We have a small class, only five students, will be confirmed at this time. I hope that many of you will make the sacrifice to celebrate this very special sacramental moment with our young people. So please make the sacrifice and come to the confirmation mass at 6:00 p.m. on Saturday February 12th.

I wish to share these thoughts about confirmation and our confirmation program. There is a wonderful video about raising children, and the observation made was do you wish to prepare your child for the road or are you trying to prepare the road for your child? When I reflect on our confirmation program I can share with you that we do our very best to prepare our high school students to be adult members of the Catholic faith. I like to think that we have prepared them to walk in faith as adult Catholics. We have taught them so many wonderful things about living the Catholic faith and the great graces that they will receive by practicing their Catholic faith. I do know this that there are no short cuts to being prepared to be an adult member of the Catholic faith and an adult member of our parish family. I know that these high school juniors will be great examples of young adults in our church.

I wish to thank the parents of the confirmation students for supporting our program. It is so easy to find a program that requires very little in the way of preparation for confirmation.

This celebration of confirmation will be a manifestation of the Holy Spirit coming on these young people.

THANK YOU.

Last Sunday was a marvelous Sunday. I was so pleased with the Saint Albert students participating in the mass ministries. What is most rewarding is that the students participating were of all grades. I spoke about how pleased I am with the state of Saint Albert is. There are not sufficient words to tell what a wonderful change has occurred in the past 18 months. I believe that the joy of this weekend masses is a testimony to the Catholic Church's guidance at Saint Albert.

Great Generosity.

The second collection for scholarships for the Knights of Columbus to give scholarships to our students who attend Saint Albert was outstanding. We raised almost \$1700.00 for scholarships. Thank you for your generosity.

Super Bowl

Next Sunday is Super Bowl Sunday. I think that most people who follow professional football will tell you that they believe that the playoffs for the team playing in the Super Bowl are some of the best games that they have ever watched. One of the things that so impresses me is the athletic ability that these young men have and how blest they are to have all of these qualities. My sentimental favorite is the Cincinnati Bengals because we have people in our parish who are from Cincinnati. What I ask of you is that you make next Sunday a Super Bowl weekend by attending the confirmation mass at 6:00 p.m. Saturday evening. If you do this you will have a real Super Sunday.

FATHER'S THOUGHT FOR THE WEEK

I heard this explanation as a way to understand what directs our lives. There is a marvelous expression that if you want to know where your heart and comments are, see what you give your money to. My thought for the day is to think about how we spend our money ask the Lord Jesus for his guidance in how we should practice generosity in our lives.

LIFE ACCORDING TO JEAN.....

- Middle Age Texting Codes:
 - ATD-At the door
 - BFF-Best Friend Fell
 - BTW-Bring the wheelchair
 - BYOT-Bring your own teeth
 - FWIP-Forgot where I parked
 - GGPBL-Gotta go, pacemaker battery low
 - GHA-Got heartburn again
 - IMHAO-Is my hearing aid on?
 - LMDO-Laughing my dentures out
 - OMMR-On my massage recliner
 - ROFLACGU-Rolling on the floor laughing and can't get up
- TTYL-Talk to you louder
- Kids today will never know the struggles of landing that needle on a record perfectly between 2 songs
- The adult version of head, shoulders, knees, and toes is wallet, glasses, keys, and phone. Yes Mike, you?
- Why the heck do underwear and socks come in re-sealable bags, but potato chips don't?
- Why does cooking take like six hours, eating takes like five seconds, and washing dishes like seven day and seven nights?
- It's weird being the same age as old people
- When is this "old enough to know better" supposed to kick in?
- A plateful of bacon and one tiny leaf of lettuce. Bacon salad....Follow me for more recipes.
- I was watching a show called "10 steps to avoiding a shark attack." I was really surprised that "Stay out of the water" wasn't number one.
- You'll know Mike and I at weddings....He's the one wearing a bowling shirt.....Sorry Mike, I had to say it.
- Due to inflation and food price increases the 5 second rule has been extended to 10 seconds.

HAVE A GREAT WEEK, STAY SAFE, AND BE NICE TO EACH OTHER
