SECOND SUNDAY OF LENT

FROM FATHER CHUCK

Diocesan Appeal.

We have completed our first weekend of the Diocesan Appeal. Our goal for this year's appeal is: \$72,729.00. This is an eleven percent increase over last year's goal. We will receive approximately \$5700.00 from last year's appeal by going over our goal. In the past years we have always received a refund from the appeal. This has been a great help in meeting our budget for the year. We will continue to have the appeal in church for the next two weeks. After this time period is completed we will begin making phone calls and asking for your pledge to the appeal. Thank you for your generosity, not only to the appeal, but also to our parish family.

Ash Wednesday Masses.

I was very pleased with number of people who celebrated Ash Wednesday at our parish. I said this at the masses that there is tremendous wisdom by our church to have the season of Lent that gives us the opportunity to grow in our faith and our relationship with the church and each other.

Ash Wednesday Collection.

Thank you for your generosity to the Ash Wednesday collection. We will send a donation of \$500.00 to the Diocese for the people of the Ukraine. The suffering that is being imposed on the people of the Ukraine is absolute evil. It is important for us to continue to pray that peace be restored to the Ukraine. Thank you once again for your generosity to this collection.

What is the name that we give to the Pope,

A. His eminence B. Greatest Priest. C. Vicar for Christ. The correct answer is hidden in the report on the mass, stations, soup supper and program.

Lenten Activities.

The season of Lent will pass by very quickly so I hope that you take advantage of this season of penance.

I encourage everyone to go to confession. Confessions are heard every Saturday from 3:00 p.m. to 3:35. This is a wonderful opportunity to experience the grace of the sacrament. I will begin having confessions after all the mass and I will announce these times in the next bulletin.

Lent is also a time to grow in our knowledge and understanding of our faith. The Tuesday evening Lenten program at the soup supper is a wonderful opportunity to grow in your knowledge and teachings of our church.

One of the most important things to do in the Lenten season is walk the stations of the cross. You can do this by attending the stations of the cross and benediction on Fridays at 5:30 p.m. in the church. I hope that you will take advantage of all of the offering that our parish gives to you.

A Grace Filled Evening C.

The first Tuesday evening mass, stations of the cross, soup supper and the program was a wonderful evening of Jesus' grace and blessings. First, I wish to thank all of you who came to the evening, second, thank you to all of you who brought soup to the supper. Third, a special thank you to the Parish Life committee for hosting the soup supper. I encourage everyone to come to the mass, stations, soup supper and program this Tuesday evening beginning at 5:30, it will be a blessed evening of Jesus' grace.

LIFE ACCORDING TO JEAN.....

- Chocolate is vital for our survival. Dinosaurs didn't have chocolate and look what happened to them....
 - I asked the librarian if she had a book about Pavlov's Dog and Schrodinger's Cat. She said it rang a bell but wasn't sure if it was there or not.....(Sorry, I couldn't help myself!!!)
 - Bread is like the sin. It rises in the yeast and sets in the waist.
 - How many boxes of Thin Mints do I have to eat before I start seeing results?
 - Remember, if you lose a sock in the dryer, it comes back to life as a Tupperware lid that doesn't fit on any of your containers.
 - I don't know the secret to happiness, but I tell you what, I've never been sad at a Mexican restaurant.
 - One of the weirder things about being an adult is having a favorite stovetop burner, yet nobody talks about it.
 - Every woman has a little bit of Marilyn inside her. You just have to find out if it's Monroe or Manson.
 - Driver: It's not about how many times you fall. It's about how many times you get back up.
Officer: Yeah, that's not how field sobriety tests work.
 - Me: What do you have with no fat and no sugar?
Bakery clerk: Napkins.
 - So many people these days are too judgmental. I can tell just by looking at them.
 - I'm always disappointed when a lair's pants don't actually catch on fire.
 - How did we survive? Our mothers wiped our faces with spit on a hanky, not an antibacterial wipe.
 - I asked my doctor how long she thought this COVID thing would last. She responded with, "How should I know? I'm a doctor, not a politician?"
 - One tiger to the other, "Like I was saying, the circus is just one of my careers. The real money comes from Frosted Flakes."
- Thanks Mike N for the funnies. Everyone stay safe.

FATHER'S THOUGHT FOR THE WEEK

My thought for the week is that all of us find some quiet time to spend in the presence of Jesus. This type of prayer can be termed adoration. The important thing is that we take time away from all the distractions of our world to come to know the presence of Jesus more fully in our lives.
