SOLEMNITY OF THE MOST HOLY BODY AND BLOOD OF CHRIST

FROM FATHER CHUCK

Father Day Message

There are many things to think about on Father's Day. One of the first things to emphasize is how important Father's are to the family. I hear the statistics constantly about the impact that the father has on the formation and the stability of the family. A wonderful thing to do on this Father's Day is to pray a special prayer for all Fathers that they realize the importance of them as role models. This is also a day for us to think about our own father's and remember some of the wisdom and guidance that our father's shared with us. It is also a time to remember and ask ourselves the question, "how are we like our fathers."

This Sunday is also a day for all men to reflect on their roll to be men of faith. I have written this many times that the faith of the men in a parish family is most important in influencing the faith life of the parish family. I am very pleased with the men of our parish who are great men of faith. One of the saddest things about a church is when the men of the church are not active in the life of the church. One group of men that I am very proud of is our Knights of Columbus. We have wonderful meetings on the fourth Monday of every month and our Knights are great examples of men who deeply love their faith and their church. I know that every year I invite every man who is not a Knight to join our Knights Council. Several years ago one of the men of our parish shared with me that one of the best decisions was to become a Knight.

Thank You.

The Father's Day brunch was outstanding. I wish to thank Linda Bonham for all of her work organizing and preparing the brunch. The food was outstanding. The number of you who attended was excellent. A thank you to all the Altar Society ladies for their hard work putting on the brunch.

July Scheduling.

We will be into the month of July shortly. Several things happen in July that are a change from our regular schedule. First, there will not be any music at any the masses in the Month of July. Second, there will not be children's liturgy in the months of July and August. The reason for this is that the company that provides the materials for children's liturgy does not print materials in June, July and August. Third, there will not be any committee meetings in the month of July. The month of July is a quiet month, however we will have the regular scheduled office hours and daily and weekend celebrations of the Eucharist.

Children's Liturgy Of the Word.

One of the great ministries of our church is the children's liturgy of the word during the 10:00 a.m. mass. We are in need of the people to help with this ministry. The materials for each lesson are provided and very easy to use. We now have three teams that work with this ministry but we would like to get to five teams. Each team has two or three members that work with this ministry. If you would like to enrich your life with Jesus' grace please volunteer for this ministry. Please call the office if you are interested.

Vacation Bible School.

I will write more about this next week when Vacation Bible School is complete. I was able to go to three of four nights of Vacation Bible School. It is very inspiring to see how our children are touched by the spirit of Jesus during this week. I so enjoyed all of the activities of the week.

FATHER'S THOUGHT FOR THE WEEK

Our bible study teaches us many things. One of the beautiful things about the Jewish faith is that they worked very hard to make their Temple in Jerusalem a beautiful place for God to be present. My thought for the day is for all of us to be grateful for our parish church and to do all that we can to make it a beautiful place for the Father, Son and Holy Spirit to be present to us.

SAVE THE DATE

The Parish Picnic will be Sunday, August 21 from 1-3pm in the Father Kottas Social Hall. More info to follow.

Father Chuck's birthday is July 6 but don't tell him I told you!!!!!!!

LIFE ACCORDING TO JEAN.....

(FATHER'S DAY EDITION)

- Dad, may your Father's Day be better than your jokes.
- Dads, Proudly refusing to ask for directions since 1845
- Favorite Dad sayings:
 - When I was your age....
 - A little bit of dirt never hurt anyone
 - Go ask your Mother
 - Were you raised in a barn?
 - You don't know what hard work is
 - It builds character
 - Don't make me stop this car
 - You're grounded til you're thirty
 - Money doesn't grow on trees
 - Because I said so.
- Best advise a dad gives his child...Don't tell Mom
- You can tell what was the best year of your Father's life, because they seem to freeze that clothing style and ride it out.
- Having children is like living in a frat house. Nobody sleeps, everything's always broken, and there's a lot of throwing up.
- Dad, You're always the coolest like all those times you said "yes" when Mom said "no."
- Children, smile because their you're father and laugh because there's nothing you can do about it.
- Father's Day. All the presents your children buy for you with your money.
- To the man who still refuses to ask Google maps for directions even when he doesn't know where he's going.
- Any man can be a Father. It takes a special man to be a Dad.
