THIRTEETH SUNDAY IN ORDINARY TIME

## FROM FATHER CHUCK

### Vacation Bible School

This past week we had vacation bible school. We have not had Vacation Bible School for three years so this years program was like starting over. The program was very successful and I know that the children had a wonderful time. The person who worked so hard to make Vacation Bible School such a tremendous success was our Director of Religious Education Heather Olson. It is truly amazing that she put together such a marvelous program in such a short time and with not having VBS for three years. There were over fifty children who attended Bible School and I know that all of them had a wonderful time. I attended three nights of the Bible School and I was so impressed by the activities that the children were engaged in. These activities were wonderful learning experiences for our children. A very special thank you to all volunteers who helped with the Bible School. There were almost forty volunteers and it was their efforts that made Bible School such a great success. I was so impressed with the number of Junior and Senior High School students who helped with Bible School. These students were so good with the children. It is wonderful to see our young people so involved with our parish activities. Thank you to all of you who made our Vacation Bible School such a great success.

### July Scheduling.

The month of July is a quiet month in the parish. First, there will be no music at any of the masses in the month of July. Second, there will be no committee meetings except for the Altar Society and the Knights of Columbus. Third, I do ask that you please stay current on your tithing since the month of July is a vacation month for many of you. Fourth, the parish offices will be open on the normal schedule. Fifth, there will not be children's liturgy of word in July and August.

### Bible Study.

We have two Bible Study classes left, June 29 and July 6th, will be the last Bible Study class for the summer. The class will meet on Wednesday at 6:30 p.m. in the social hall. If you have never attended please come, we provide the bible and books.

### Our Father Prayer.

This prayer was an adaptation of the Our Father and I wish to share it with you.

Dear Dad, whom I share with everyone. You are in paradise. I adore you. I hope that heaven can be built here on Earth, and that everyone follows your Word, so that we can create heavenly moments while we're living here. Please take care of our daily needs, and forgive us when we fail, as we also strive to forgive those who fail us. Please keep us from things that tempt us to sin, and protect us from harm, heartache and pride. One of the things to try is to try praying this prayer when you normally pray the Our Father.

### Thank You.

I wish to thank all of you for the acts of kindness when I had my pace maker surgery. I am doing okay but the recovery is slow. Thank you again for your kindness.

### Movie Star.

Chris Maher grew up in our parish and is now an actor in several movies. His latest movie is call, "Blow Back" which is on Amazon Prime. Chris was at mass on Father's day and shared with us his experience of being a movie star.

LIFE ACCORDING TO JEAN.....

- I might win the lottery. Or I might get up and go for a run. Odds are about the same.
- I'm having a salad for lunch so I can have three dozen Reese's Peanut Butter cups tonight.
- Inflation is so bad my neighbor got a pre-declined credit card in the mail.
- Apparently RSVPing to a wedding invitation, "Maybe next time" isn't the correct response.
- My niece tried to follow her dreams but now she has multiple restraining orders.
- I've decide I'm not old. I'm 25 plus shipping & handling.
- I'm not much on seizing the day. I just kinda poke it with a stick.
- Things I have in common with a raccoon: Dark circles around eyes, stays up all night, eats junk, a little chubby, will fight you, and possibly rabid.
- They're call "man hours" because a woman would have had it done in 20 minutes.
- Trying to decide if I should be a warning or an example to others today.
- My Disney Princess is named Taco Belle
- Happiness is a room full of books and a closet full of shoes.
- You know it's time to clean out your purse when the car assumes it's a second passenger who's not wearing their seatbelt.
- I look normal but believe me I talk to animals and wait for them to reply.
- I gotta get my life together. This heat made me realize I can't go to hell.
- The National Weather Service has just published instructions on how to bake a lasagna in your mailbox.

HAVE A GREAT WEEK,STAY SAFE, BE NICE TO EACH OTHER

FATHER'S THOUGHT FOR THE WEEK

**One of the most enjoyable weeks is the College World Series week. This past Saturday we had a baseball team from Regis High School attend the Saturday evening mass. These young men were very attentive to mass and participated in the mass. One of the great joys for our parish family is when we are able to share the mass with everyone who comes to visit us.**
