SOLEMNITY OF PENTECOST SUNDAY

FROM FATHER CHUCK

Bible Study.

This is a reminder that summer bible study continues this Wednesday evening at 6:30 p.m. in the social hall. I have a number of copies of the book, Scripture From Scratch for you to have. This bible study is one of the most enjoyable experiences because we have a wonderful time learning about the scriptures and also being together as a parish family. Refreshments are always served.

Server Training.

One of the great joys is to train new altar servers. We are so blest to have 8 new altar servers. They will begin shadowing at the masses. These new servers have to shadow twice before they begin serving. The great joy of this training is to experience the enthusiasm of these new altar servers. We are so blest in our parish to have so many of our grade school and high school students serving our parish as altar servers.

Vacation Bible School.

You can still register your child for vacation bible school. You can register in church or by stopping by the office.

Recovery.

I hope that my recovery from my surgery is very quick. It has been eleven years since I have had this same surgery. Please pray a special prayer for me that my recovery goes quickly.

End to Violence.

There are so many things being written about the violence that has occurred in the last several weeks. The solution to all of this violence is that people nourish their soul with the faith relationships and by being involved in their church. Our nations needs to find their souls which we have lost through the temptations and distractions of this world.

Ignite Campaign.

The diocese is in the first phase of the Ignite campaign. The goal for this campaign is \$45,000,000.00. The money raised will be used for many needs in the diocese. The major portion of the campaign, \$25,000,000.00, will be used to establish an endowment fund to help with the religious formation of our children. The other things that the campaign will fund is seminary education, Priest health care and retirement and various other programs in the diocese. I will be needing people to serve on the campaign in our parish. I will be sending out letters and asking for your help to meet our parish goal. St. Peters parish goal is, \$740,000.00. If we met our goal 17% will be returned to Saint Peters. If we exceed our goal Saint Peters will receive 75% of the funds that exceed our goal. This campaign will be a blessing to our religious education programs and to our school. I think that I have a plan that will make it very easy for us to reach our goal of \$740,000.00. The pledge period for the campaign is three years. Please watch for continued updates for the campaign. I hope that many of you will help in making the campaign a success. We have been successful in all of the campaigns in our diocese.

End of the fiscal year.

The fiscal year ends for Saint Peters on June 30th. We have had another good year although I do not know what the year end total will be until the first part of July. You are an amazing parish family and your generosity to Saint Peters is one of the greatest sign of Jesus' presence in your life.

LIFE ACCORDING TO JEAN.....

- Does the jelly in a donut count as a serving of fruit? Asking for a friend.
Just caught myself rinsing out a Ziplock baggie to reuse later because it wasn't even that dirty. It's happened. I've finally turned into my mother.
Morning forecast: Slightly exhausted with 100% chance of needing coffee. Scattered sarcastic comments through the afternoon.
That moment when you have something really important to say but you're waiting for the person who is talking to stop talking, but when they do, you forget what you were going to say.
I haven't tried yoga, but I have tried bending over to pick up my keys, so I'm pretty sure I'd hate yoga.
It's Wednesday and I still can't find the motivation.
Old is when a beautiful woman catches your fancy and your pacemaker opens the garage door.
If Cinderella's shoe fit so perfectly, why did it fall off in the first place?
I used to make fun of my parents for going to bed at 9:30. Now I wonder how they managed to stay up so late.
The biggest joke on mankind is that computers have started asking humans to prove that they aren't a robot.
I'm thankful I doesn't make any noise when I roll my eyes.
Some day I just drink my coffee right out of the pot. Don't judge.
Some days I know why Noah only let animals on his boat.
Do you know that awesome feeling you get when you get into bed, fall right asleep, stay asleep all night, and wake up feeling refreshed and ready to take on the day? Yeah, me neither.
If by "crunches," you mean the sound bacon makes when you eat it, then yes, I do crunches.
Do you remember when the Yeti for field trips in the 1970's was a can of soda wrapped in aluminum foil?
HAVE A GREAT WEEK, STAY SAFE, BE NICE TO EACH OTHER.

FATHER'S THOUGHT FOR THE WEEK

One of the questions that is asked about the tragedy in Uvalde, Texas is where is God? The answer is this: We are all created in the image of God which means that we are born with a free will that seeks good and intellect that seeks truth. It is our responsibility to exercise these two gifts from God. The problem was that the young man who murdered those children had free will to see good and an intellect to seek truth, he did not develop our use of these gifts. Please continue to pray for Jesus' comfort for those families in Uvalde, Texas and for the entire community.
