NOTES FROM FATHER CHUCK

MOTHER'S DAY GIFTS

Next Sunday we will give out the Mother's Day gifts. I know that you will enjoy this gift more than any we have given you before. I know that you will be able to use this gift every day of your life.

THANK YOU RELIGIOUS EDUCATION TEACHERS

If I were to ask you this question would you be able to answer it? How many teachers do we have that teach the grade school program for St. Peter's? We have 19 teachers in the Wednesday evening religious education program at St. Peter's. I wish to thank all of the teachers who gave up their Wednesday evenings to bring Jesus Christ's love and care to our children. There are not sufficient words to thank these teachers for this sacrifice. I am certain that the Lord Jesus looks down on those teachers and is immensely pleased at the sacrifices that they make. So a special thank again to all of our teachers for being such a wonderful example for our parish. If you have never taught religious education one of the greatest ways to deepen and learn about your faith is to teach religious education on Wednesday evening. A very special thank you to Dolores for her hard work directing our religious education program. We are so blest to have such a wonderful lady who is so dedicated to the religious formation of our children. Thank you to all of you!!!!

NINTH GRADE CONFIRMATION CLASS

The 9th grade confirmation class has ended for this year. I wish to thank the two teachers: Rob Peters and Anne Rohling for their dedication to the education of our 9th grade students. Rob has taught religious education for 15 years and Anne has taught confirmation for 19 years. The students were taught the bible this year and Rob and Anne did an outstanding job bringing the word of God into the lives of their students. Thank you Anne and Rob for a job well done.

MOTHER'S DAY BRUNCH

The Knights of Columbus will be serving the Mother's Day brunch today (Sunday) in the social hall from 8:00 a.m. to Noon. There is a special menu for all the ladies of the parish. Jeromy and Lacy Brockelsby have prepared this wonderful meal. So I hope all the ladies of the parish will go over to the breakfast. This wonderful meal is a week early because of all the activities that happen on Mother's Day.

OKTOBERFEST COUPLE

I am still looking for a couple to work with the Oktoberfest team for the coming year. To be on the Oktoberfest team is a wonderful way to get to know the parish and to work with wonderful members of our parish family. If you are interested in this wonderful opportunity please call me at the office. If I don't get a response I will have to start calling to find a couple to help lead Oktoberfest.

BIBLE STUDY

I will be offering a bible study again this summer. The topic of the study will be seventy of the most important events in the bible. I am not certain about the starting date and if I will offer it twice a week. Please continue to watch the bulletin for this information.

HOLY THURSDAY MASS

The compliments seem to never end. At the Knight of Columbus meeting last week a Knight from another parish told me that he was here for Holy Thursday and how impressed he was to see the high school involved in the ministries at Holy Thursday. He told me that he wished that his parish had their students as involved.

WHY THE EXTRA CONFIRMATION CLASS

The 10th grade confirmation classes will not finish until the tenth of May. One student asked me why we have the extra classes and I told him that we needed to catch up with the Wednesday religious education students!! He didn't think my reason was valid.

Liturgy Corner

Ephesians: The conclusion of the book stresses that we are all united with Jesus Christ and that we form our spiritual body with Him. Christians must avoid pagan practices and dedicate themselves to a life of prayers and to dedicated themselves to love of Jesus and love of neighbor.

The person who can understand what Saint Paul is teaching in Ephesians will have a good grasp of the fundamental pillars of Catholic Theology.

☺ CHRISTIAN HUMOR ☺

The manager of a large city zoo was drafting a letter to order a pair of animals. He sat at his computer and typed the following sentence: "I would like to place an order for two mongooses, to be delivered at your earliest convenience." He stared at the screen, focusing on that odd word "mongooses." Then he deleted the word and added another, so that the sentence now read: "I would like to place an order for two mongeese, to be delivered at your earliest convenience." Again he stared at the screen, this time focusing on the new word, which seemed just as odd as the original one. Finally, he deleted the whole sentence and started all over. "Everyone knows no fully stocked zoo should be without a mongoose," he typed. "Please send us two of them."

Two gas company servicemen, a senior training supervisor and a young trainee, were out checking meters in a suburban neighborhood. They parked their truck at the end of the alley and worked their way to the other end. At the last house a woman looking out her kitchen window watched the two men as they checked her gas meter. Finishing the meter check, the senior supervisor challenged his younger coworker to a foot race down the alley back to the truck to prove that an older guy could outrun a younger one. As they came running up to the truck, they realized the lady from that last house was huffing and puffing right behind them. They stopped and asked her what was wrong. Gasping for breath, she replied, "When I see two gas men running as hard as you two were, I figured I'd better run too!"

*Let nothing worry you,
nothing dismay you.
Everything passes, God does not change.
If you have patience, you can do anything.
Those who have God, want for nothing.
God alone is enough.
St. Teresa of Avila*
