TWENTY-NINTH SUNDAY IN ORDINARY TIME

FROM FATHER CHUCK

Oktoberfest

This years Oktoberfest was the most challenging because we did not have Oktoberfest for two years. I wish to thank the Oktoberfest team for all the work above and beyond the call of duty, Chris and Heather Olson, Teresa Joswaik, Leslie Fronce and Dan and Jennifer Lighthipe. The one person that we need to thank is Jeannie Thomas. Her work on Oktoberfest was outstanding and there are not sufficient words to thank her for all of her work to make Oktoberfest such marvelous experience.

The number of people attending Oktoberfest down, which we expected. We served over 700 dinners which is down about 300 from what we normally serve. I have heard so many wonderful compliments about how good the food was this year and how great the spirit of Oktoberfest was.

It takes so many people to make Oktoberfest a success. I wish to thank all of you who worked at Oktoberfest. I was very pleased with the number of our confirmation students who worked Oktoberfest. It was so enjoyable to watch them work and to share the great hospitality that is such a great part of our parish family.

The mass was wonderful. I wish to thank all of the music ministers for their wonderful music and for going the extra mile by moving all of their musical talents to Saint Albert and to share them with all of us.

I believe that we must have set a record for the number of prizes that we gave away. The number of children's prizes was unbelievable. I hope that our children enjoy the wonderful prizes and they participate in next years children's raffle prizes.

The Saint Albert football team was so helpful at the end of the day and their help made it so

So much easier for us to return all of the things from Oktoberfest to the social hall. A special thank you to Coach Driver for helping us with the set up for the day. We did not have to move very many tables from Saint Peters because Saint Albert shared their tables and chairs with us. A special thank you to Saint Albert President, Anne Rohling, for all of her help at Saint Albert. Her efforts to help with any of the needs for Oktoberfest is greatly appreciated.

The last people I wish to thank are all the people who helped to load and transport the items from Saint Peters to Saint Albert. The one group that I wish to thank were the people who helped to unload the things when they returned to Saint Peters, the people who worked on the return were Tom Weihs, Mike, Molly and Mike Rosloneic, D.J. Lindgren and his children Braden and Riley, Robert Beck and of course me. Thank you to all of you for going extra mile for Oktoberfest.

Feast of All Saints.

The feast of All Saints will be celebrated on Monday November 1st. We will have two masses.

There will be an 8:00 a.m. mass. The second mass will be at 5:30 p.m. The 5:30 p.m. masses will be the commemoration mass where we will remember all the people that celebrated their funeral liturgy at Saint Peters in from last November 1st.

Confirmation Classes.

Ninth, Tenth and Eleventh grade confirmation classes will resume this Wednesday October 20th.

FATHER'S THOUGHT FOR THE WEEK

This Sunday's gospel was one of the most challenging. The young man asks Jesus what he must do to inherit eternal life and Jesus tells him to observe the commandments and to sell all that he has and give it to the poor. This sounds impossible but I think that Jesus' message is to not let any material things get in the way of our relationship with Jesus and with especially the needs of the poor.

Life According to Jean.....

- I can't even image the self control required to work at a bubble wrap factory.
- If you are a passenger in my car don't ever disrespect me by trying to sing lead. It's my car. You are automatically a back up singer.
- The cashier told me, "Strip Down Facing Me." By the time I realized they meant the debit card, it was too late.
- You know you're getting old when everything hurts and what doesn't hurt doesn't work.
- I think it's weird how some days I feel reasonably healthy, and other days I feel like a busted can of biscuits.
- Why is it that I used to be able to dive in the shallow end of a pool, now I hurt my back tying my shoes.
- I choked on a carrot this afternoon and all I could think about was "I'll bet a donut wouldn't have done this to me!"
- Every time someone in my house leaves an empty box in the freezer or cabinet, I'm wrapping it in Christmas paper and putting it under the tree with their name on it.
- If you're laying on the ground looking at all the stars and thinking "what does this all mean," It means someone stole your tent.
