ASSUMPTION OF THE BLESSED VIRGIN MARY

FROM FATHER CHUCK

Feast of the Assumption.

We celebrate the feast of the Assumption of the Blessed Virgin Mary today. The actual feast day is on Monday but since the vigil of the Assumption falls on Sunday afternoon we are celebrating this feast day today. One of the things that I wish to remind you of is that the feast of the Assumption has a separate envelope so please use that envelope with your regular Sunday envelope.

Confirmation.

This message is for all 9th and 10th grade confirmation students and their parents. I will be sending a letter informing you of the organizational meeting. Our confirmation program is a wonderful avenue for the total family of our confirmation students to deepen their faith relationship with Jesus and with the church.

R.C. I. A.

If you know of anyone who would be interested in learning more about the Catholic faith please contact us at the office. The R.C.I.A. classes will begin at the end of this month. We have been so blest by the people who have joined our church and each year it is exciting to see the members of the R.C.I.A. classes grow in their faith.

Great Music.

This past weekend masses were so much more filled with the graces of Jesus because of the wonderful music that we were blest with. If you have the opportunity please thank any and all of the music ministers who volunteer their time to make our masses filled with Jesus presence.

Ministers.

Have you ever considered being a lector, usher, Eucharistic Minister or an Altar Server? We will train for all of these ministries in September.

Year End Finance Report.

Next weekend I will give the finance report. This past year was very challenging with inflation and the cost of everything increasing. The greatest challenge will be next year as I have projected a budget deficit of \$22,000.00. I will explain this deficit next week. We did have a very generous good year this past year. I wish to thank all of you for your generous support of Saint Peters.

Oktoberfest

I hope that all of you had the opportunity to read last Sunday's bulletin and its explanation of how Oktoberfest is going to change this year. Each year it has become more and more difficult to find sufficient help for all of the work that has been done to make Oktoberfest a success. We did a cost analysis for all the things that we need for Oktoberfest and the cost of all of materials has increased greatly. We will keep the spirit of Oktoberfest that has been one of the greatest sources of our parish family growing in the spirit of Jesus Christ. One of the new things that has been added is that we are going to have a Corn Hole Tournament. If there is anyone who knows how this game is played and could serve as the referees for the game please contact us at the office. I still have not found a car for Oktoberfest, the price of used cars is extremely high so we may have to have a different grand prize this year. The celebration of Oktoberfest is one of the most exciting times of the year for our parish family. We will have many of the same jobs that we have had in the past and we will have the sign up for these jobs in September.

### FATHER'S THOUGHT FOR THE WEEK

I often wonder how well people listen to my thoughts at mass. One of the examples of the explanation of the Trinity is 3 in 1 oil, three kinds of Oil in one oil just like the Trinity is 3 person in one being. This week one of the parishioners brought me a can of 3 in 1 oil. I was so impressed that he took the time to find it and to bring it to me. I can rejoice in the fact that many people do listen to sermons.

### ATTENTION ST. PETER'S CRAFTERS AND BAKERS

Even though the summer heat is continuing, it is time to start thinking about Oktoberfest. The Altar Society is asking for your support of the Country Store at Oktoberfest by donating craft items. Keep in mind as you are crafting that items should be those that generally would be sold for \$10 or less, unless it is a very special item. Also start thinking of baked goods you can donate. If you have questions, call the Altar Society President, Patti Ford at 712-323-8507. Thank you in advance for your generosity.

### LIFE ACCORDING TO JEAN.....

- I don't think it's age that makes us forgetful. I just think there's too much stupid junk to remember.
- It's important to lock your car doors especially now. Your friends and neighbors and even strangers will put free Zucchini in your car.
- I think with these high temperatures restaurants should offer as their daily special, 5 minutes in the walk in freezer with each purchase.
- I don't need a mood ring. I have a face.
- When I get tired of shopping I sit down and try on shoes.
- Have you ever noticed that a woman's "be ready in 5 minutes," and a man's "be home in 5 minutes" are exactly the same.
- A man without a woman is a bachelor. A woman without a man is a genius. (Just kidding Mike)
- Being married is like having the freedom to do whatever your wife tells you to do.
- I have four moods. I need coffee. I need a nap, I need a vacation. I need duct tape, rope and a shovel.
- Don't bother walking a mile in my shoes, that would be boring. Spend 30 seconds in my head, that'll freak you right out.
- Not everyone realizes this, but if you clean the pile of receipts out of your purse and stack them all together, it makes a teeny tiny book about why you're broke.
- If a man is talking in the forest, and no woman is there to hear him, is he still wrong?
- Women don't gossip, they network.
- Men say that women should come with instructions....What's the point of that? Have you ever seen a man actually read the instructions?
- My Saturday was going pretty well until I realized it was Sunday.

HAVE A GREAT WEEK, STAY SAFE, BE NICE TO EACH OTHER
