### LIFE ACCORDING TO JEAN.....

- In the 70's I was riding my bike and fell off and hurt my knee. I'm telling you this now because we didn't have social media back then
- I am wonder woman: I wonder where I left my keys, I wonder where I left my purse. I wonder where my money went.
- Don't make old people mad. The older we get, the less life I prison is a deterrent.
- I guess the phrase "there's a 50% chance of precipitation" does sound more scientific than "might rain-might not."
- You know me. If I ever win the lottery, rest assured nobody around me will be poor, and I mean that. I will move to a rich neighborhood.
- Go ahead and seize the day without me. I'll just drink my coffee and catch up with you later...Or take a nap.
- If each day is a gift, I'd like to know where to return Monday.
- At my age a balanced lifestyle means 50% aches and 50% pains.
- I like to refer to myself as a free spirit. It sounds classier than out of control.
- You know you're getting old when you have to take inventory every time you sneeze...teeth...check, glasses check...

HAVE A GREAT WEEK, STAY SAFE, BE NICE TO EACH OTHER
