TWELFTH SUNDAY IN ORDINARY TIME

FROM FATHER CHUCK

Father's Day Brunch.

The Father's Day brunch will be served by the Altar Society from 8:00 a.m. to Noon. Please come over and celebrate Father's Day with this wonderful brunch. There is no charge for the brunch but a free will offering will be taken up.

Thank You.

I wish to thank the Parish Life Committee for all the hard work that they put in preparing the wonderful evening of fun and family for the Bingo party. There are not sufficient words to thank you for all your efforts.

Bingo Party.

The Bingo party on Saturday evening was tremendous. What is most enjoyable is to see is the families with their children enjoying playing bingo. I think so often that the most wonderful thing that you can do for enhancing your family is to spend time with your family in simple activities.

Joy Life.

There are so many things that happened this past weekend. There was a family from Sacramento California that attended mass. Their son was in a baseball tournament in Council Bluffs. I spoke with them after mass and the father thanked me for the wonderful article on being a father in the bulletin. He asked if it was okay that he share the article with his friends in California. He also asked if they could have a family picture with me. I wish every weekend was like this past week.

Oktoberfest.

We are in need of a couple to serve on the Oktoberfest team. This is a fun activity. Please call the office if you are interested, 712-322-8889.

The Music Stops.

This is a reminder that we do not have music at any of the masses during the month of July. The reason that we do this is that our music ministers need time to recharge their musical talents. It is also a time when they can visit other parishes to see what their music ministry is doing. If you have the opportunity please thank our music ministers for their gift of sharing their musical talents with us.

Year End Finances.

The churches fiscal year ends this week. I don't know whether we will show profit or loss for the year. I will inform you once that we have the final figures. The finance committee will be approving the budget for next year.

Wonderful Father's Day

This year was the most wonderful Father's Day that we ever celebrated. I am happy to tell you that every one of the 324 candy bars were given out. I gave the last one out on Sunday afternoon to one of the men who was attending his marriage preparation classes. Thank goodness they went out because I didn't think I could eat a 100 candy bars. We had so many visitors to our parish because of the College World Series. It is so wonderful to have Louisiana State University in the tournament because they come to church. One of the most inspiring things was for the LSU fans to share stories about the work that many of the players on their team do with handicapped and less fortunate children. They all commented how much they enjoyed celebrating the Eucharist with us.

LIFE ACCORDING TO JEAN.....

- Sometimes I just wish I had the wisdom of a 90 year old, the body of a 20 year old, and the energy of a 3 year old.
- Welcome to adulthood where you'll be constantly tired except for when it's time to go to bed.
- Please send positive thoughts to my 2 year old grandson. His carrot touched his chicken nugget and I'm just not sure there's any coming back from this.
- It's sad that the pizza box has instructions to "OPEN BOX BEFORE EATING PIZZA."
- What a year this week has been.
- I've made a lot of mistakes in my life but adding more cheese than what a recipe calls for has never been one of them.
- You attract what you fear. I'm so scared of 42.3 million dollars.
- If lost in the woods, build a shelter. The tax collector will be there shortly. Follow me for more survival tips.
- If a semi loaded with Vicks vapor rub overturns on the interstate does that mean there will be no congestion for eight hours?
- I get up in the morning with nothing to do and when I go to bed I'm only half done.
- A body like mine doesn't happen overnight. It takes having children, some neglect and extra slices of pizza
- I am a women of many moods and they all require chocolate.
- You know that voice in the back of your mind that tells you not to do something? Well, mine bets me five dollars I can't.
- I've reached the age where I can't tell if I've sustained an injury or that's just how I am now.

FATHER'S THOUGHT FOR THE WEEK

One of the greatest things is to be able to spend time with our parish family. The Saturday night bingo party was so enjoyable because there were so many families attending the party. My thought for this week is for all of us to take advantage of spending time with our families. So take some special time this week and spend it with your family.
